Exercise - Displaying Table of Contents

Sukhjit Singh Sehra and Sumeet Kaur Sehra

5th August, 2021

Contents

Chapter 1

Task to be performed

1. Create a new Document, which consists of Part, chapters, sections and subsections, footnotes, hyperlinks, numbered and numbered sections.

2. Change table of contents by adding more chapters and more sections.

Chapter 2

Introduction

2.1 The First Section

This is a simple LaTeX document. Here is the first paragraph.

2.2 The Next Section

Here is the second paragraph[1]. As you can see it's a rather short paragraph, but not as short as the previous one. This document was created on: Wednesday 4th August, 2021 at 21:11.
